18th July 2020

Dear friends,

Firstly, I hope you are all well and managing to find things to keep you busy in these difficult times.

I wanted to update you on our programme. The Committee have been discussing matters but feel that we are unable to make any firm decisions for a resumption at this stage. Following the latest guidelines, it seems that we will not be able to contemplate any meetings until the late autumn at the earliest. Consequently, we have taken the decision to cancel the Autumn Show and the October meeting of the new season. We will re-evaluate the situation prior to the AGM in November as to whether that can go ahead, but I have to say at this stage, it is looking doubtful. If this were to be the case, the AGM would be postponed until a suitable date next year.

Although we will individually make our decisions as to when we feel able to resume a 'normal' life, as Chairman I cannot recommend any further social gatherings until we are sure that it will be totally safe for us to do so. I will be back in touch with you to update you of the situation in October.

In the meantime, I hope that you are all getting enjoyment from your garden, perhaps more than usual, as we now have time on our hands to do so. I look forward to hearing about your successes (and failures) next time we are able to meet.

Rod Hirst Chairman
